Education and
ERC Co-Chair

Southeast Louisiana Hospital has awarded the **Employee of the Quarter** to **Sherryl “Chris” Destephano**, administrative assistant, for the **1st Quarter of 2010-11**.

Mr. Destephano was nominated by Daphne Stewart, director of the Human Resources Department, for this honor. On the nomination form, Ms. Stewart noted that Mr. Destephano “often goes above and beyond to assist others. He was eager and determined to fix the broken ice cream machine...Chris took on the project with enthusiasm...He wholeheartedly wanted the Employee Recognition Committee to use the ice cream machine for the Pin Ceremony and throughout the summer. He thought this would give a little morale to the employees of SELH.

“I am very proud to acknowledge the excellent character of an employee who is a part of the Human Resources team.

“Thank you Chris, for your time, dedication and skills as we had the pleasure of eating delicious ice cream during Employee Appreciation Week!”

SELH is One Team With a Mission: Hope, Empowerment and Recovery
