Southeast Louisiana Hospital is pleased to announce the recipient of the **Employee of the Quarter Award for the 3rd Quarter of 2009-10.**

Custodian **Minerva “Mimi” Medina** was nominated by **Robyn Schorle**, administrative program manager of the Facility Services Department, for this award. According to Ms. Schorle:

“Mimi is one employee that is always smiling, happy and generally in a very good mood. She will be the first one to say ‘I’ll take care of it for you, baby!’ And she does! She jumps in to help others when most people walk right by.

“She takes care of jobs in her area that are not assigned to her, like planting flowers in the front of the building or watering and fertilizing the plants in the halls. She does these tasks with a happy heart, always to better the hospital.

“She always tries to make the building smell and shine better than it normally would, just to make its people happier...this makes Mimi happier!”
